

赵延斌

1991 年生于河南新野，2010 年毕业于中央美术学院附中，2014 年毕业于中央美术学院实验艺术学院。现工作、生活于北京。

赵延斌是一位通过自己的感觉用绘画展现我们童年的艺术家。追忆我们年少时想过的事情，或者我们经历过的事情，也通过提问的方式将现在上学的学生所想象的，或者知道的事情用艺术家独特的表现方式呈现出来。他的作品与我们一般理解的当代绘画有一些出入，他使用了普通人喜闻乐见的风俗化语言。而这其中，却隐藏着非常深刻的寓意。我们在进入画面时，会感受作者思维的缜密及深度。

Zhao Yanbin

Zhao Yanbin, born in 1991 in Xinye, Henan Province, graduated from Fine Arts School Affiliated to China Central Academy of Fine Arts in 2010, then graduated from CAFA School of Experimental Art in 2014. Currently lives and works in Beijing.

Zhao Yanbin is an artist who paints our childhood through his own feelings. His works recall the things we thought or experienced when we were young, and also present the things imagined or known by current school students with the unique expression of artists through the way of asking questions. His works are a little different from our understanding of contemporary painting, and he uses the folksy language that ordinary people like to hear. But there is a very deep moral hidden in it. When we enter the picture, we will feel the meticulousness and depth of the author's thinking.
